Final Tour Programme  
Bulletin II – Nov 2009

27 July – 1 August **2010**

Tour Code: TFE1 / 10

The second city is host to the major athletic championships of the summer of 2010. The six days of exciting competition will be held in the famous 1992 Montjuic Olympic Stadium. This grand arena retains its historic charm and with its refurbishments for the Olympics remains a comfortable venue.

We have a selection of four properties catering for all budgets that between them offer an optimal range of options to combine watching athletics with exploring one of Europe's premier cultural cities and enjoying the sea and sun that Spain is so famous for. Our choice of three Barcelona city centre hotels include a 4\* superior hotel, a 4\* tourist class hotel and a 3\* apartment style hotel. In addition we have a 4\* tourist hotel in the delightful resort of Sitges. All four properties have good access to the stadium using either Barcelona's public transportation or T&FT buses direct from your hotel to the stadium: all are within 15 -35 minutes travelling time of the venue.

Our options offer a choice of 10, 9, 8, 7 & 4 night packages in Barcelona and also a choice of pre- and post-event add-on tour options. Travel to Nice prior to the championships for a 5 days trip that includes a visit to Monaco to attend the Herculis IAAF Diamond League meeting before travelling onwards to Carcassonne, the Pyrenees and Andorra. Plus we are offering pre- and post event 3 nights stays in the charismatic and cosmopolitan resort village of Sitges for those that would like a relaxing break in addition to their city stay in Barcelona during the championships.

At both the Olympic Games in Beijing and for the World Champs in Berlin in 2009 we have organised the largest single group of British athletics fans attending these events as well as being joined by fans from many other countries too. We look forward to offering all track and field fans the benefit of our experience and our optimum service in Barcelona in 2010.
