

## GOTZIS

26 & 27 MAY **2018**

For 43 years the alpine village of Gotzis has been host to what has become the premier multi-event competition outside of the annual championship events. Taking place in the early weeks of the summer it is, more often than not, the venue where the elite multi-event athletes make their full 7 or 10 event entrance into their competitive season in their preparation for the major championships of that season. In the women's heptathlon in recent seasons British athletes have provided multiple winners with Jessica Ennis-Hill a three times victor and Katarina Johnson-Thompson winning in 2014.

We have organised a group for the past 3 years and the feedback from our clients has been universally positive as a "must see" event for all true athletics fans. The proximity to the action and athletes in the intimate dramatic alpine venue stadium and the charming town of Bregenz, especially the excellent family owned 4\* Germania hotel all combine to make a delightful weekend.

### HOTELS:

Gotzis's is a small village and it's one hotel is used by the athletes and so our group will be based at Bregenz on Lake Constance located just 25 mins on our transfer bus from the stadium. This is an ideal location to enjoy this lakeside resort town with access to not only it's pleasant ambience but to the cable car that can take you into the mountains and the many cruise ships that cross the lake – ideal if you book an extended sightseeing stay.

### 4\* GERMANIA HOTEL

This very comfortable and very stylish family owned hotel offers exceptional value superior accommodation in this lake resort town. The hotel has a spa centre, a first class restaurant a terrace and bar.
