

**EUROPEAN CHAMPS**  
**AMSTERDAM**

Final Programme  
Bulletin I – Nov 2015

6 – 10 JULY **2016**

The Amsterdam 1928 Olympic Games stadium hosts the European Championships for the first time providing the ideal opportunity to visit the historic Dutch capital whilst enjoying top class international championship athletics. Join the largest organised group of British and international fans – a shared experience supporting the sport that we all love

This historic venue offers covered seating on the home and back straights and uncovered seating on both bends. Seating in the home straight is categorised as VIP seating with hospitality food and beverage as part of the arrangements: we have secured prime finish line seats. The other covered seating areas are designated Categories A & B and currently can only be purchased as 5 day all sessions packages and not as day tickets. We have also secured the prime locations in these two sections. Our Category A seating is directly opposite the finish line and the Category A package includes the Amsterdam City Card with free local tram transportation, a museum entry and a canal cruise. Category B packages also cover all sessions and our seating block is in the middle of the back straight. The uncovered seating on both bends can be bought as a 5 day package or as daily tickets. The competition schedule on 6, 7, 8 & 9 July has AM & PM sessions. On Sun 10 July there are AM road races and the final PM stadium session.

We are offering a choice of 7, 6 & 3 nights package options to Amsterdam so that fans can either attend the full event or take in a few days. Our selection 4\* and 3\* hotels are all within easy access of the stadium and were booked well in advance to secure the best available event package deals to suit the budgets of all fans.

**OPT 1** 4 – 11 July / 7 nights      **OPT 3A** 5 – 8 July / 3 nights  
**OPT 2** 5 – 11 July / 6 nights      **OPT 3B** 8 – 11 July / 3 nights

The extended 7 night option will allow fans a full day's sightseeing on Tues 5 July before the competition begins on Wed 6<sup>th</sup> July: extra nights can be added to all options.
