

The Stadium "Ciudad de Torremolinos" 8 lane athletics track, forms part of the Sport Village of Torremolinos and is located on the edge of the town. This complex was built in 1997 and was **refurbished in 2014**. Facilities also include a sports hall and an adjacent gymnasium with weight training equipment: free weights and machines. The infield is used for football so no hammer throwing is permitted but discus and javelin are allowed in the afternoon.

TRACK FACILITIES:

- **8 lanes** plus a perimeter lane of artificial turf.
- **Natural grass inside area** for use as a regulation size football pitch and javelin/shot facilities
- **Track surface of medium-hard Mondo Sportrack**, designed to prevent injury and ideal for training.
- **Maximum quality equipment** (mostly UCS). Hurdles, blocks and implements
- **Regulation safety nets for discus throwing**, to R.F.E.A. (the *Spanish Athletic Federation*) specifications.
- **Two parallel runs for pole vaulting** in the high jump area (next to the start of the 400 metre dash). Northwest to Southwest orientation.
