

IAAF WORLD CHAMPS DOHA

Priority Registration
Bulletin I – June 2018

27 SEPT – 6 OCT 2019

Doha in Qatar hosts the World Champs for the first time in the Middle East providing an ideal opportunity to visit this vibrant modern city and to embrace the culture of the region. With first class facilities, a fan friendly schedule and reasonable prices a warm welcome from hospitable hosts awaits those fans open to enjoying athletics in this new location.

COMPETITION SCHEDULE

The event scheduling reflects the location with the end of September start date and the daily session timings. Temperatures in this period are 28-34 C during the day and cooler in the evening: at the Seville 1999 event it was close to 40 C during the day and mid-30s during the evening - unlike 1999 the Marathons and Walks will be held at the coolest time around midnight. The programme is compact with just one stadium session per day to travel to / back from. Fans will have plenty of time to lie-in after any late finishes with time to relax or sightsee: **an innovative and different World Championships – BE THERE!**
