

Pre or Post GOTZIS 2022 Add-on Options

Working in association with Track & Field Tours, we are pleased to offer some travel opportunities before or after the main event of **Gotzis 2022**, which include the fresh mountainous air of both Switzerland and Austria. This includes the quoting and booking of your European flights or train travel, as well as great hotel accommodation and even some local excursions to really maximise your time.

The complete management of your travel arrangements! As clients fly into Switzerland we can offer a **Zurich & Lucerne stay** for any number of nights. Another possibility is to travel from Bregenz via a delightful 4 hours train journey to Lausanne to visit the Olympic museum, stay in a 3* Sup hotel and fly back to the UK from Geneva or stay a night or two exploring the elegant lakefront promenades, parks, and gardens. The choice is yours!

Zurich & Lucerne

Regularly voted as one of the world's best cities for quality of life, **Zurich** is a place that deserves to be known as more than just Switzerland's financial centre. The shopping along Bahnhofstrasse is so popular, while the National Museum is a great place to spend a cultural afternoon. At the port of Enge, you can sit astounded by the mountain views reflected in Lake Zurich. Only a short 40min train journey to **Lucerne** - this city is compact and easy to explore, with the old town and all the main sights within walking distance of the rail station. For tourists who love mountain scenery, the biggest attraction of all is Lucerne's location as a base for some of the most spectacular Alpine rides in Europe,

Lausanne & Geneva

Lausanne rises elegantly in terraces on three hills above the north shore of Lake Geneva in Switzerland's French-speaking region. High bridges span the gorges of two rivers that cut through the city, combining with the steep rise from the lake shore to give Lausanne a dramatic and scenic terrain with views of the Savoy Alps across the lake. Lausanne is the world headquarters of the Olympics, and an **Olympic museum** is among its most popular tourist attractions. The best way to enjoy Lake Geneva is onboard one of the lake steamers taking either take a cruise or use it to hop between towns.
