T&FT HOTEL > STADIUM > HOTEL BUS TRANSFERS

Following our very successful stadium bus transfer operation for the 2014 Commonwealth Games where we moved up to 400 + fans each day from their hotels to / from the stadium in Glasgow we are planning to offer the same service for the event in Birmingham.

We anticipate that the cost will be £ 15 – 20 per person per day and we will offer transfers to and from both of the daily sessions. We are waiting for confirmation of what the general public transportation arrangements will be but the personal service of a dedicated private bus that fans will be guaranteed a seat on is as optimal as it gets reducing waiting and queuing time regardless of any other available options.
